

CHANGES TO THE EUROSTAR DIRECT SKI TRAIN TIMETABLE

Below are some changes to the ski train timetable which starts running directly to the heart of the French Alps this Saturday 17 December 2011 until Saturday 14 April 2012:

Changes to ski train timetable

There are some slight changes to the ski train schedules.

Please view the next page of this document for further details.

To avoid manual check-in at our terminals, the reservation system will not be updated to reflect this.

Engineering works

Train 9099 will not be stopping at Ashford International on Saturday 25 February 2012 due to engineering works.
