

“BACK TO THE SNOW WITH ERNA LOW!”

In order to encourage all those skiers back to the slopes who didn't ski last year or the year before, Erna Low has devised a special package in an effort to lure them back on the pistes...

If you can prove that you did not ski with Erna Low in either Winter 2009/10 or 2010/11, but have booked with us before (any time over the last 80 years since we started up!), then we will give you the following if you book again this winter in our favourite resort of Arc 1950:

- Free massage in the brand new spa at Arc 1950
- Bottle of Savoie wine on arrival
- Croissant delivery in your apartment for all the family for your first day
- Free ski helmet rental for all the family when you book ski and boot hire
- Erna Low branded T-shirt!
- 'Where to Ski Guide' book 2011/2012 – to update you on all the latest news on skiing since you last went!

To make your booking, quote *“Back to the Snow with Erna Low”* when you make your booking.
