

ERNA LOW: IN FRANCE, IN SWITZERLAND AND IN CANADA! HOTELS – FLIGHTS - SKI DRIVE Stand G30 London Ski Show

Erna Low showcases what's new for the 14-15 winter season: a new hotel selection in France, nine new destinations in Switzerland and a focus on fantastic ski packages to Whistler, as well as their well-known value ski drive packages to some of the biggest name resorts in France.

Joanna Yellowlees-Bound, CEO of Erna Low comments on her company's development, "We have expanded our ski offering for winter 2014-15 in response to our clients' requests.

We are delighted to be able to offer, for the first time a wide selection of hotels from family-run 3* to luxury 5* hotels across some of the most popular French and Swiss ski resorts as well as offering over 12 hotel and apartment options for skiers wanting to head across the pond to the North American resort of Whistler.

Most importantly, we are able to offer flights from London and 16 regional UK airports plus transfers to make these ski holidays complete, as well as offering our self-drive and accommodation-only packages - all bookable online and through our expert in-house team at the end of the phones."
